**Fifteen Seasons: A Memoir – Commercial  
Salmon Fishing off the Central Oregon Coast,  
1977 - 1991**

Join author Terry Evers as he will discuss his memoir “Fifteen Seasons.” Terry’s memoir chronicles his experiences with his father on a dory boat along the Central Oregon Coast, which is about the inner workings of commercial salmon fishing along with the characters, culture, and fantastic adventures. He will also explain how popular music during that era fused with the industry and coastal vibes in special ways.

For the past 34 years, Terry has been an elementary educator and currently is a K-5 STEM Specialist. Terry has been married for 37 years to his wonderful wife, D’Ann. He has 2 grown daughters and 2 granddaughters. Presently, Terry is working on his second book, a fictional story aimed at middle grade children that involves a dory, the sea, and a fantastic otherworldly adventure.
